

# Renew Mobility

## Sponsorship Opportunities

Our Mission: To enhance independence through access to mobility equipment.

### Wheel Run For Everyone 5K

Join us for all the fun in April at the 29th Annual Wheel Run For Everyone 5k benefit! Come out and walk, roll, jog, or wheel - all the money raised supports our vital mobility equipment program. The Doctorate in Physical Therapy students at GVSU have been raising funds and awareness in support of our mission for the past 29 years! This event takes place at the beautiful Grand Valley State University Allendale Campus.

### Fowling To Keep 'Em Rolling

Save the date for Wednesday, October 23 for our Halloween-themed Fowling to Keep Em Rolling event! Come out, bring your friends, co-workers, and neighbors, and have fun Fowling while supporting our Pediatric clients and their families with vital mobility equipment for free.

### Pediatric Pop-Ups

Our Pediatric Mobility Pop-Up events take place at area Intermediate School District locations. Our expert staff and volunteers are on hand to educate families and adjust all equipment that we place. We offer pediatric walkers, manual wheelchairs, bath equipment, reverse walkers, crutches, strollers and more.
